

Job Description: *Camp Counselors*

Description:

Deliver consistent instruction to our team, customers and parents based on what we promise with tuition. Be proficient with our internal systems and camp session activities and safety operations.

Tasks:

Have all materials and interns ready for an age appropriate easy and fun comprehensive instructional experience.

- Team: Direction for daily lesson plans, set up procedures and safety outlines
- Campers: Themed session steps, what to do in each agenda block, engagement ideas and approaches; tailored to each age group [including videos/content]
- Parents: Be responsible for the follow through of communicating any health and safety, early dismissal, signing into camp, merchandise, etc information to the manager. Know and implement employee handbook etiquette and house rules, supply needs/pick-up, carpool, safety and allergy info. Relay to the director.

Report to Camp/Program Director

- Determine EODR solutions for the next day

Abigail Academy is a scripture-based, dynamic center that incorporates fun and engaging programs with effective modern life skill training to increase self-value, self-expression, leadership and communication in young girls.
